Champagne Couche

Champagne maker-vintner since several generations, the **COUCHE family has selected for you those exceptional 2584 bottles** of Vintage 1995. The Chardonnay and Pinot Noir from our best soils offers to you now their delicates Sensation ...

1995 was great year with a favourable weather for a quality harvest. The grapes offered a perfect maturity and a good freshness. The Chardonnay and Pinot Noir had all the characteristics in order to make a remarkable vintage

The Vintage « Sensation 1995 », to improve its quality, is left to mature for over 15 years in our cellar. **This maturing permits to reinforce the nicety and all the aromatic complexity of this champagne.** Its character, fruit and fineness prove that it was judicious to wait.

Today, reached its peak, the vintage “Sensation 1995” offers an “**intense nose** of candied fruits, hazelnut, sweet almond and hot butter. The mouth regains **argillaceous amplitude with a mealy touched and some absolutely well-balanced aromas.** As usual, there is a **crystalline acidity in finish which qualified the pureness of the range**”. Geoffrey Urban, European Vice Ambassador of Champagne.

“Fresh mouth, very expressive and sucker with a beautiful finish. Superb expression of a domain which has a superb regularity” **G rard Basset, meilleur sommelier du monde 2010**

“A very nice feeling of volume in the mouth, plenitude, good balance between the vinosity and freshness, the whole is associated with nice length. Great vintage!” **Guide Gilbert et Gaillard 2011**
